Croquet Field Day Event Returns to Rochester for a Second Year

Rochester, Minn.— On June 26, OMC Regional Foundation will host its second annual event for anyone wanting to have a great time and support a great cause!

OMC Regional Foundation's Croquet Field Day is a Rochesterfest event in support of women's health services at OMC. The amateur croquet tournament will be held at Rochester Golf and Country Club on Sunday afternoon, following an elegant buffet brunch in the clubhouse.

The tournament welcomes novice and experienced amateur players. All teams will play for one non-cash grand prize. The \$150 team entry fee admits two players to the pre-tournament brunch buffet, registers them as an event team, and provides a picnic-style lunch.
