

OMC PLASTIC SURGERY STAFF PARTICIPATE IN TRIP TO PERU

In the last two weeks of the March 2006, Dr. Babovic and Ms. Hochberger visited Lima, Peru as members of the Smile Network International team.

During this medical mission trip, approximately 200 children were examined and over 110 cleft lip, cleft palate, burn scar and hand surgeries performed.

Teams consisted of four surgeons, six anesthesia providers, one pediatrician, 15 nurses and 15 support staff.
