Highlights from 2025

- ❖ Since the doors opened in 1949, we have been committed to ensuring our patients are our highest priority. As we celebrate over 75 years of providing exceptional care in southeastern Minnesota, Olmsted Medical Center continues to partner and walk alongside our patients to help them live their healthiest lives. We believe that every patient has a right to be healthy and deserves to be treated with respect, and we are always striving to improve the patient experience.
- ❖ Improving the delivery of healthcare through technology and planning for a future expansion of services were highlights of 2025.
